

Weekly Parent Report

Maya Patel · Week ending Friday · Fictional sample

Overall

Good

Consistent effort this week. Maths practice improved; English needs structured evidence work.

Next parent action

Ask Maya to show one paragraph and point to the sentence that proves her claim.

Strengths

- Maths: improved speed and accuracy on two-step equations.
- Science: understands the core vocabulary for energy transfer.

Watch points

- English: ideas are strong but evidence is not always linked back to the question.
- Science: experimental variables need more confident naming.

Suggested study rhythm

Day	Focus	Time
Monday	Science variables drill	20 min
Tuesday	English PEEL paragraph	25 min
Thursday	Maths mixed retrieval quiz	20 min

Sample only. This is a fictional example of the type of document my24-7tutor can generate from parent-authorised school material. It is not official school material.
